Project Homeless Connect

Project Homeless Connect (PHC) is a one-day, one stop shop event designed to provide immediate services to people experiencing homelessness in our community.

This year's event is July 14, 2016 at Everett High School.

What kind of services and resources are provided at the event?

These items are provided free-of-charge to homeless individuals and families seeking assistance, including:

- Housing Information
- Medical care
- Dental care
- Vision screening and eyeglasses
- Pet care
- Haircuts
- Mental health assessments
- Substance abuse screening
- Hearing screenings and aids
- Hepatitis testing and vaccination
- HIV/AIDS testing
- Homeless veteran outreach
- Hot meals
- New shoes
- Backpacks and hygiene items

Will this affect me?

It shouldn't! But we still wanted to let you know that you may see more people at Everett High School than you normally do on a Thursday in the summer. We will use the school's parking lot for any attendees that drive in, but most will use the public bus routes that run along 24th and 25th Avenues. We have also secured a permit from the City of Everett to close only the block of Wetmore that runs through the school's campus to help make it safe for everyone to move between the gym building and the cafeteria building where services and lunch will be offered.

Can I help?

Donations will be used to support critical service areas at the event. In the past, these have included transit passes, prescription costs, child care, and food.
